EDITORIAL

Welcome to the 2010 Westside Pro Wrestling almanac. I came up with the idea for the almanac back in 2004, the original idea was to have a yearly one on Explosive Pro Wrestling, but that idea fell by the wayside. The idea for the almanac returned in 2009, when I started Westside Pro Wrestling and was trying to do some research on the history of Pro Wrestling in Perth and pretty much came up with very little pre-Explosive Coastal Wrestling. I have included as much history on the scene as I could, hopefully there may be some information you find interesting, and maybe some you never knew about.

This project has been a huge undertaking and wouldn't have been possible without the support of the West Australian Pro Wrestling community from the promotions, to the talent, to the photographers

I would like to give special thanks to Explosive Pro Wrestling, New Horizon Pro Wrestling, Southern Hemisphere Wrestling Alliance, Amanda, Jarod, Jenna, Liam, ShaunSean Promotions, Thomas and all the talent local, interstate and international who helped me out with their stats.

I hope you enjoy the almanac and don't forget to ALWAYS support your local product.
